📍 Mehsana, Gujarat.

OBJECTIVE

My objective is to be associated with progressive-minded people where my technical and soft skills can be improved and add value to the organization by committing a hundred percent effort and thus contributing towards the growth of the organization. Seeking opportunities for professional growth and self-development.

TACKNICAL SKILLS

Web Development Skills:

HTML, CSS, JavaScript, PHP,
MySQL Database, MERN Stack

Known Languages: C, C++, JAVA

Data Query Language: SQL

PROFESSIONAL EXPERIENCE

REUNITED TECHNOLOGIES

July, 2023

Web Developer Intern

4 weeks

During my internship, I've gained hands-on experience with HTML, CSS, JavaScript, PHP, and MySQL. I've honed my skills in building responsive and dynamic web applications, implementing database-driven functionalities and server management.

FlyZenix IT Solutions

June, 2024

Web Developer Intern

3 weeks

I've immersed myself in full-stack web development using MongoDB, Express.js, React, and Node.js. I've tackled projects involving database design, server-side scripting, frontend development with React components, and integrating APIs for dynamic functionalities.

PROJECTS

Online Movie Ticket Booking System:

Developing this project with **HTML, CSS, JavaScript, PHP, Apache**, and **MySQL**, I've designed intuitive user interfaces for browsing movies and selecting seats. Backend PHP scripts handle booking transactions and interact with MySQL databases to store and retrieve booking details securely. Apache serves as the web server, ensuring smooth operation and efficient delivery of content to users.

Vehicle Rental System:

Developed a web-based vehicle rental system by providing user-friendly interface for browsing available vehicles, selecting rental dates and driver selection using **HTML, CSS, JavaScript. PHP** scripts manage booking logic and interact with **MySQL** databases to store rental details. **Apache** serves as the web server, ensuring smooth operation and efficient delivery of content to users.

EDUCATION

BIRLA VISHVAKARMA MAHAVIDYALAYA (BVM)

Bachelor of Technology in Information Technology
CPI : 8.16 (Till SEM-6) 2021-2025

HSC - SHREE J.M.CHAUDHARY SARVAJANIK VIDYALAYA

Percentage: 92.46% 2020-2021
PR: 97.60

SSC - TAKSHASHILA VIDYALAYA

Percentage: 93.00% 2018-2019
PR: 99.79
